(NSMRC)**

APPLICATION FOR TRAVEL AWARD

To be completed by applicants to obtain travel funding from the NSMRC at the University of California, San Diego

Project Title

Applicant #1 (Last, First)

Academic Title

Email Address / Telephone Number

Name of University

Applicant #2 (Last, First)

Academic Title

Email Address / Telephone Number

Name of University

Project Information: *Please complete the abstract form, attach an NIH Biosketch for each investigator, and submit by email to nsmrc@muscle.ucsd.edu.*

In the box below, provide an abstract of the overall collaborative project idea. Describe concisely the central goal(s) and how each investigator would contribute to the development of aims and methods to achieve these goals. Explain how a travel grant would facilitate the development of this new collaboration and the long-range plans for such a relationship.
